

DEAR AKHAL-TEKE-HORSE FANS!

As you may have already learned from social media and/or your association, the EAAT - European Association of Akhal-Teke - organizes this year's European Championship of the Akhal-Teke. The event takes place at the stud farm „Reimer Sporthorses Stud“ in Ovelgönne (near Oldenburg) on June 7 to 9, 2019 . As an independent and non-profit organization, we have been advocated to preserving the breed of the Akhal-Teke since 2012 - nationally and internationally.

Today we would like to cordially invite you to attend the event as a spectator.

Already more than 50 purebred Akhal-Tekes have registered for the stallion-licensing, mares-award and the individual breeding classes. In addition, we were able to inspire many sponsors for our event and realize prize money totaling EUR 12,000.

We also cater for your physical well-being! You can look forward to very special lunch and dinner buffets that offer the most delicious dishes from the land of our favorite horses - the Akhal-Teke. [See menu cards here](#)

Since the event is planned for a limited number of people, please register in advance and reserve your tickets online! [Ticketshop](#)

On 08.06.2019 the evening of the European Championship 2019 will be crowned with a GALA evening at the Ristorante Sasso in Rastede [Restaurant Website](#). In this festive setting, we want to honor the people who have made a special contribution to the Akhal-Tekkin family in their lives. That deserves recognition!

Even for the gala evening, the number of people is limited, please register quickly and reserve a ticket online! [Ticketshop](#)

You can look forward to a great event! We look forward to welcoming you on the 7th and 8th of June 2019 at the European Championship of the Akhal-Teke.

Best regards,
